

THE GREAT CATSBY  
— BOUTIQUE CAT HOTEL —

# What should you ask when considering a cattery or cat hotel?

---

Questions to help you make that final decision.

- Can I visit?
- What are your opening times?
- What do you charge?
- What do I need to bring?
- Will my cat hate me for leaving him/her?
- What will you feed my cat?

You have to trust the person you choose to look after cat so ask as many questions as you like until you're happy that they will care for your cat just like you.
